

Websites built to move business.

Professional website design, launch, hosting and ongoing support for local businesses.

CLEAR PRICING / MOBILE-FIRST DESIGN / MANAGED SUPPORT

Built for businesses that need a polished online presence - without agency-sized overhead.

Three website packages. Flexible maintenance. Straightforward ownership.

brandlinesupply.ca

Choose the right starting point.

Every package includes responsive design, launch support and a clean professional finish.

LEAN ONLINE PRESENCE

Starter

\$999

A focused one-page website for a business that needs to look credible and make contacting it easy.

- One scrolling page with up to 6 sections
- Mobile and desktop optimization
- Contact form, social links and Google Maps
- Basic search-engine setup
- Domain connection and website launch
- Two rounds of revisions

MOST POPULAR

Business

\$1,799

A complete small-business site with room to explain your company, services and work.

- Up to 5 pages: Home, About, Services, Gallery and Contact
- Custom branding and page layouts
- Quotation or contact form
- Basic analytics and search-engine setup
- Domain connection and website launch
- Three rounds of revisions

CUSTOM BUILD

Premium

From \$2,799

A higher-impact site for businesses that need richer presentation, more content or custom features.

- Up to 10 pages with premium custom design
- Galleries, product or inventory displays
- Multiple inquiry forms and interactive sections
- Basic copy editing and advanced mobile polish
- Analytics and basic on-page SEO
- Three rounds of revisions

The technical side, handled.

Simple annual domain management and reliable monthly hosting keep the site connected, secure and available.

Domain setup & configuration

\$50 one-time

Registration support, DNS configuration, connection to the website and launch checks.

.ca domain management

From \$50/year

Annual registration or renewal administration, DNS support and renewal monitoring.

.com domain management

From \$75/year

Annual registration or renewal administration, DNS support and renewal monitoring.

Website hosting

\$20/month

Managed deployment, SSL certificate, basic uptime monitoring and technical hosting support.

A clean ownership structure

Your domain should be registered in your business name whenever possible. Brandline Supply manages the setup and technical configuration while you retain ownership. Hosting does not include unlimited website changes.

SECURE SSL INCLUDED

Maintenance that matches your pace.

All maintenance plans include website hosting, SSL, uptime monitoring, domain and DNS assistance, and email support.

Essential

\$59/month

GETTING STARTED

A clear path from idea to launch.

We keep the project organized so you know what is needed, what is included and what happens next.

01

Select a package

Choose the website package that fits your current needs. Custom requirements are quoted before work begins.

02

Provide your content

Send your logo, business details, service information, photos and preferred examples.

03

Design + revisions

Review the first version and use the included revision rounds to refine the site.

04

Approve + launch

Pay the remaining balance, approve the final version and we connect the domain and publish.

Project terms

Payment: 50% deposit to begin; 50% due before launch.

Taxes: Prices exclude applicable taxes.

Revisions: Additional rounds are billed at \$95/hour.

Third parties: Software, subscriptions, stock assets and provider fees are extra.

Ownership: Website ownership transfers after full payment.

Support: Maintenance plans may be cancelled with 30 days' notice.
